2017-2018 School Year

What and What Not's

What to Bring

- A backpack or bag packed for a normal day trip.
- Extra clothing, especially bottoms, even if potty trained.
- A lunch that can withstand room temperature until lunch time and does not require microwaving, including a drink/ juice.
- Labeled spill proof cups for all children. Refrigerator available for milk for ones and two year olds.
- Favorite blanket or pillow for quiet time that is packed away with belongings.

What NOT to Bring

- Food that requires to be microwaved.
- TOYS FROM HOME; electronic toys or devices (such as Gameboys, Nintendo DS, Kindles, ipads, phones), small pocket toys, 'comfort' toys, which often become a source of conflict among children and limit the child's ability to freely play and explore with both hands. Comfort toys are allowed during quiet time but must be stored away.
  **Speak with your child's teacher.
- Bottles and pacifiers are strongly discouraged for tots and twos. Speak to your teacher if weaning is in process or these items help to comfort your child during quiet time.

What to Wear

- Play clothes that may get soiled unless otherwise specified.
- On chapel days, children may opt for 'dressy-casual' attire.
- Rubber soled, well fitting shoes made for active play that cannot be easily removed by children.

What NOT to Wear

- Expensive dress clothes that cannot get dirty.
- Flip Flops, Sandals or 'croc' type shoes that the children can easily take off and run barefoot throughout the day as well as misplace one or both and/or that cause them to trip and fall as they engage in active play.
