

# Children's Day Out

First United Methodist Church, Texas City

## Fact Sheet

### 2009 -2010 School Year

#### Tell me about your program?

*CDO has a very long history in the Texas City Community. We are Christian based part week, part day program for children ages 6 months thru 5 years. We offer family style care with a focus on Kindergarten readiness. We keep our class sizes small on purpose and our children busy all year long. Most of our families choose Children's Day Out as an alternative to traditional full day full week daycare. We are a less expensive option for families who desire a less stressful experience for their children and often seek us out as their child's first experience in a school setting.*
